

If our toddlers could ask  
for just 3 wishes they  
would wish to *feel* safe,  
to *feel* loved,  
and to *be* respected

Join experienced  
facilitators Bronwen and  
Suzi at Toddler's Place  
and learn how to  
partner with your  
toddler and have fun  
along the way

# Toddler's Place

**Parent – Toddler  
Classes  
for toddlers aged  
12/18 months —3 years**

Starting February 17th  
for six Wednesday evening sessions  
and three Friday morning play  
sessions

## Course format

Toddler's Place is made up of 6 evening sessions for parents and 4 play sessions for parents and toddlers.

The evening sessions provide space for in depth discussion on the following key areas:

- Principles of the Pikler Approach
  - The urge to play (schemas)
  - Play, wonder and imagination
- Understanding emotions and the toddler's brain
- Unpacking conflict and creating a partnership model
  - Our role as guardians, self care and rituals

The play sessions provide a space for the toddlers to play while parents grow their skills in observation and practice the learnings from the evening sessions.

## Toddler's Place is partnering with your toddler to:

- Understand and support their unfolding autonomy
- Develop skills to stay in the partnership dance with them
- Be an observer and read their cues
- Understand their needs and extraordinary competencies
- Have fun and enjoy each other
