Toddler's Place

Parent-Toddler Classes

For toddlers aged
12/18months-3 years

Starting November 1st 2023-
six Wednesday evening sessions
and three Friday morning
play sessions

Course format

Toddlers Place is made up of 6 evening sessions for parents and 3 play sessions for parents and toddlers.

The evening sessions provide space for in depth discussions on the following key areas:

- Principles of the Pikler Approach
 - The urge to play (schemas)
 - Play, wonder and imagination
- Understanding emotions and the toddler's brain
 - Unpacking conflict and creating a partnership model
- Our role as guardian, self care and rituals

The play sessions provide a space for toddlers to play while parents grow their skills in observation and practice the learnings from the evening sessions.

Toddler's Place is Partnering with your toddler to:

- Understand and support their unfolding autonomy
- Develop skills to stay in the partnership dance with them
- Be an observer and read their cues
- Understand their needs and extraordinary competencies
- Have fun and enjoy each other
